OFFICE NOTE

Entertainment of 12 Students annually for three years from 1902-03 to qualify themselves for the Grade of Hospital Assistants

Letter No 4738 dated 22 3 02

from the Sr Surgn & Secy Govt with the Govt of Mysore

The Senior Surgeon requests sanction to the entertainment of 12 Students annually for the three years from 1902-1903 to qualify themselves for the grade of Hospital Assistants for the following reasons

(1) The present Strength of 159 Hospl Assts including 11 temporary hands is quite inadequate to meet the present requirements

District Fund Boards on equal proportions

5 When the Senior Surgeon made an application for such Students per March 1899 (SI 1) the then Councillor in charge of the District Fund Portfolio (the present Dewan) observed as follows —

" x x I think there are two grounds on which the Provincial funds should be called upon — the first is the general but the very reasonable ground of the poverty of Local Funds — which is a true excuse The 2nd is that the whole pay of the Hospital Assistants is, I believe, borne by the Provincial Funds These are Embryo Hospl Assts, and it is reasonable that the funds for the preparation must come from the State funds "

6. On the Revenue Councillor,

(11)

Eastern Division (the present Senior Councellor) remarking that the existing practice may continue the Second Councellor added -

" The increase to the number of Students may be sanctioned That order need not apply to the other question raised by me The question has for its object the relief of the District Funds which are in many places insufficient to meet all the claims upon it Under these circumstances I adhere to my first idea that the cost of maintaining these Students should be met from Provincial funds The matter is one deserving of favourable consideration of by the Diwan "

7 Jr Govt Proc No 1753-62 & the 21st July 1879 Sanctioning the entertainment of 12 Students annually from 1898 1900 to qualify themselves to the Grade of Hospital Assistants the Comptroller was asked to

debit the charge in question under "Suspense" pending adjustment. As final orders were not passed in the matter, the Comptr in July 1900 solicited orders as to the head of account to which the item in question should be charged.

Letter No 62 S, 7-7-1900 S 54 (SL 23)

& in submitting the papers to the Hy Dewan, the Secretary pointed out- "x x more or less, every one of our District Fund Boards is in an unsatisfactory condition financially" but the Hy Dewan ordered that the existing practice of meeting the entire cost of Scholarships from District Funds might continue, and that the question of paying the Scholarships from the Provincial funds might be considered when the finances improve.

Note dated 13-8-1900

This order was communicated to the Comptroller & the then Senior Commissioner on perusing the above orders

Order dated 14-8-1900

Ej P No 35 7-78 & 6-9-0 S 755-98 (SL 24)

of the Hyderabad ordered as follows

"The subject of funds may be brought up again for discussion when a fresh application is received

10. Orders are solicited on the following points

(I) whether the Senior Surgeon personal may be sanctioned, and

(II) whether the Scholarships may be debited to the Provincial funds

Subject

Scholarships etc to pupil Hospital Assistants

As necessity arises , candidates are being selected by the Senior Surgeon and Sanitary Commissioner with the Government for being trained as Hospital Assistants in the Madras Medical College The studerts selected are paid Rs 9 for one year during the pre-collegiate course and Rs 1o for three succeeding years during the college course in addition to books , College and examination fees and travelling expenses to and from Madras These charges till 19o1-o2 were borne from the District Funds

Fig 6

2 In March 19o2, the Senior Surgeon requested sanction for the entertainment of 12 students annually for three years commencing from the Official year 19o2-o3 on the following grounds
(1) that the present strength of 159 Hospital Assistants including 4 temporary hands is quite inadequate to meet the present requirements
(11) that more hands are required for civil and special duties and for filling up the vacancies occurring among Hospital Assistants either by death resignation or dismissal , and
(111) that new Dispensaries have to be opened besides some female Dispensaries

3 The Government in their Proceedings No 1493-1503 / Local 55-98 dated 24th July 19o2 ordered the entertainment of 12 students for the year 19o2-o3 and directed the Controller to remit the charges

[illegible] to whether the same should be allotted to the District Funds or to the State Funds

4 [illegible] the question of relieving the District Funds of the charges on account of Civil Hospital Assistants [illegible] the matter to the State Medical Budget is now under consideration of Government since 1899 for the reasons given below

(1) that the financial condition of the District Fund charges generally is poor, and

(11) that the pay of the Hospital Assistants [illegible] Local Fund Dispensaries or Asylums is borne by the State Funds

5 It is now proposed to debit the charges to the Medical Budget with effect from 1902-03 and the provision of Rs 8200 proposed by the Senior Surgeon for the 1903-04 is included in the Budget as passed through the Council

6 The Senior Surgeon has been ordered to send his reports to the Medical College limit 1903-04

The question of transferring this charge amounting to Rs 8200 in all from the District to State Funds is submitted for orders

No 4738
Dated 22nd March 1902

Sir,

I have the honor to request the favour of sanction to the entertainment of 12 students to qualify themselves for the grade of Hospital Assistants annually for the next 3 years commencing from 1902-1903 as the sanction accorded in Government Proceedings No 1253-62/L F 55-98 dated 24th July 1899 to take twelve students every year for 3 years, was over by 30th June 1902

The present strength of Hospital Assistants viz 159 including four temporary Hospital Assistants is quite inadequate to meet the present requirements

There are at present 37 pupils undergoing collegiate course at the Madras Medical College, besides 12 students undergoing pre-collegiate course here

The reason why more students are required to be trained up is as follows -

(a) To supply Hospital Assistants for cholera & plague duties and to meet casualities ~~~ Hospital Assistants caused either by resignation, or dismissal are yet about 46 Dispensaries to be as per Government Order No 1410-8/ 95 dated 28th July 1896 besides some Dispensaries which are under contemplation elsewhere

To meet all these requirements, a reserve of at least 20 per-cent on the strength of Hospital ssistant is necessary, the same per centage is allowed in the Madras Medical Service

Under the above circumstances, I have the honor to request that Government will see their way to accord early sanction to enable me to grant scholarships for students who are to be admitted for pre-collegiate course on or about 1st July next

I have the honor to be,
Sir,
